RURAL RECONSTRUCTION - Intensive work in selected firkas - Scheme - Applicability to Urban areas - Instructions - Issued.

Public (Firka Development) Department

G.O.Ms.No.2801 Dated, 9th September '47

ORDER:

In some of the firkas and Centres selected by the Government for Intensive Rural Reconstruction work, urban areas have also been included. The question has been raised whether the village surveys conducted in connection with the Rural Reconstruction work should be undertaken in these urban areas also. The Government have considered this question and direct that in the selected areas surveys should be confined and amenities provided only to the villages and that improvement of urban areas may be left to the concerned Municipalities and Panchayats. In the "Co-ordinated Plans" and other proposals already forwarded to Government, if estimates have been included for improvements to the Municipal and Urban Panchayat areas, the Collectors are requested to bring them to the notice of the Government so that they need not be considered by them.
